

# General Purpose Gloves

## GENERAL PURPOSE GLOVES

- PUNCTURE RESISTANT
- NON-STERILE
- AMBIDEXTROUS

**MedPride Latex, Nitrile** and **Vinyl** gloves are made from the finest raw materials and are crafted with strength and elasticity for support and comfort.

**Pami Poly** gloves are one size fits all and are designed for economic utilization.

All our gloves are smooth, ambidextrous and versatile for various applications. They are all disposable and designed for single use.
