

Instant Hot and Cold Packs

Instant Hot and Cold Packs

- FLEXIBLE PACK
- EASILY ACTIVATED

MEDPRIDE® **Hot and Cold Packs** offer immediate pain relief to injured areas.

Cold Packs provide immediate first aid treatment for contusions, sprains, abrasions, toothaches and other minor injuries. Provide an anesthetic effect and reduce swelling.

Hot Packs provide soothing warmth and ideal for applications such as neck pain, arthritis, back injuries and shoulder injuries. Treat muscle strains, aches, tension and cramps.

- Flexible material conforms to body contours
- One time use
- Easily activated with one squeeze
